RRB Group D Marking Scheme 2025

It's important to note that the RRB Group D Syllabus 2025 exam includes a negative marking scheme. For each wrong answer, 1/3 of the marks allotted for that question will be deducted. This means that while it's important to attempt as many questions as possible, it's equally crucial to be careful and avoid guesswork. A well-thought-out strategy, focusing on accuracy and time management, will be key to maximizing your score while minimizing the impact of negative marking. Keep this in mind as you prepare, and ensure that your preparation aligns with the exam's structure.
