Candidates applying for graduate posts must hold a university degree or an equivalent qualification. For undergraduate posts, candidates must have passed the 12th grade (+2 stage) or an equivalent examination.

RRB NTPC Exam Date 2024 - Exam Pattern

Understanding the exam structure is crucial for crafting an effective study plan. Familiarity with the exam pattern helps you identify the areas that require extra attention. The RRB NTPC selection process includes four stages: Computer-Based Test (CBT)-1, Computer-Based Test (CBT)-2, Typing Skill Test/Computer-Based Aptitude Test, and Document Verification (DV)/Medical Examination (ME). Below is an infographic that highlights the RRB NTPC exam pattern.

- The Computer-Based Test (CBT)-1 includes three subjects: General Awareness (40 marks), Mathematics (30 marks), and General Intelligence & Reasoning (30 marks).
- Similarly, CBT-2 covers the same three subjects: General Awareness (50 marks), Mathematics (35 marks), and General Intelligence & Reasoning (35 marks).
- CBT-1 has 100 questions, while CBT-2 consists of 120 questions, with each question worth one mark. Both exams have a time limit of 90 minutes.
- There is also a penalty of one-third of a mark for each wrong answer.
