Our approach is designed to help you prepare for the RRB RPF SI Exam Pattern 2024, by providing valuable insights into question distribution and mark allocation. We will guide you through the intricacies of the exam pattern, which will help you to succeed in this competitive examination.

# RRB RPF SI Exam Pattern 2024 - Complete Overview

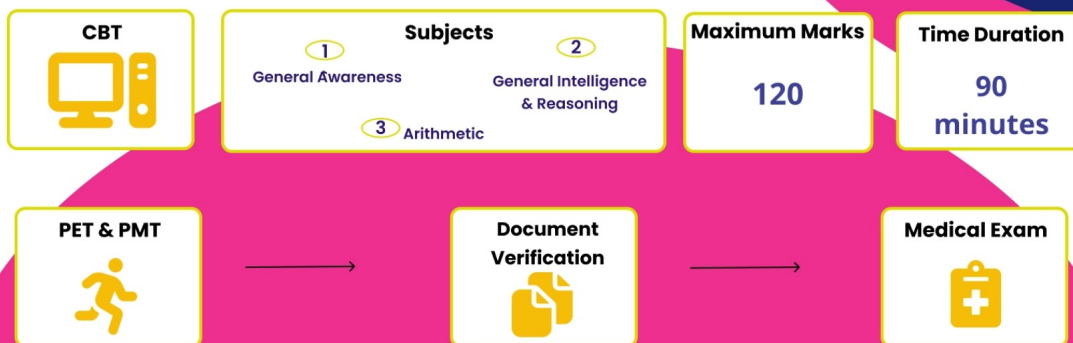

In the

**RRB**

RPF SI Exam Pattern 2024, candidates for the role of Sub-Inspector (SI) in the Railway Protection Force (RPF) will face a comprehensive evaluation of their knowledge, skills, and aptitudes essential for the position. The exam consists of 120 questions, and each question carries one mark. However, you need to be careful while attempting the answers because the exam has a penalty system for incorrect responses. For every incorrect answer, you will lose 1/3 of a mark. You have 90 minutes to complete the exam, so it is crucial to manage your time efficiently and prioritize accuracy and efficiency to maximize your score.

### EXAM PATTERN

[Source: Futurekul]

Embark on your journey towards exam success with this comprehensive guide to the RRB RPF SI Exam Pattern 2024. Understanding this pattern is not just advantageous, it is crucial to navigate your way to victory in the upcoming exam.

## RRB RPF SI Exam Pattern 2024 - Phase I

## RRB RPF SI Exam Pattern 2024 - Scheme of Examination

For the RRB RPF SI Exam Pattern 2024, the initial stage is the Computer Based Test (CBT), a digital assessment featuring multiple-choice questions (MCQs) spanning diverse subjects including:

- General Awareness
- Arithmetic
- General Intelligence & Reasoning

Typically lasting 90 minutes, the CBT's question count and marking system may undergo annual variations. It's imperative for you to diligently ready yourself for each subject to ensure a commendable score in this phase.

Subjects	No. of Questions	Maximum Marks
General Awareness	50	50
Arithmetic	35	35
General Intelligence & Reasoning	35	35
<b>Total</b>	<b>120</b>	<b>120</b>

## RRB RPF SI Exam Pattern 2024 - Phase II

Upon clearing the Computer Based Test (CBT), you'll advance to the subsequent stage, encompassing the Physical Efficiency Test (PET) and Physical Measurement Test (PMT). Your physical capabilities and measurements will undergo scrutiny through activities such as running, long jump, and high jump. It's crucial to fulfil the specified standards set for both PET and PMT.

The criteria for PET and PMT may fluctuate depending on factors such as gender, category, etc. Ensuring compliance with these standards is essential for your progression to the subsequent phase.

## RRB RPF SI Exam Pattern 2024 - Scheme of Examination

i) The criteria for PET are as under:

Category	1600 meters run	800 meters run	Long jump	High jump
Sub-Inspector (Exe) Male	6 min 30 secs	-	12 ft	3 ft 9 inch
Sub-Inspector (Exe) Female	----	4 min	9 ft	3 ft

ii) The criteria for PMT are as under:

Category	Height (in CMs)		Chest (in CMs) ( Only for Male)	
	Male	Female	Unexpanded	Expanded
UR/EWS/OBC	165	157	80	85
SC/ST	160	152	76.2	81.2
For Garhwalis, Gorkhas, Marathas, Dogras, Kumaonese and other Categories specified by Govt.	163	155	80	85

[Source: rpf.indianrailways.gov.in]

- You will have one attempt for the 1600/800 meters event, while for the Long Jump and High Jump, you'll get up to two chances each.
- If you're an ex-serviceman, you'll be exempt from the Physical Efficiency Test (PET), but you'll still need to undergo the Physical Measurement Test (PMT).
- You need to qualify in all tests according to the specified criteria to be eligible for further consideration.
- If you're a male candidate who doesn't meet the minimum height requirement, you won't be considered for chest measurement and will be disqualified.
- Following the 1600-meter/800-meter test, all candidates will undergo height and chest measurements. Chest measurement is applicable only for male candidates. If your unexpanded chest measurement is below the eligibility limit, your expanded measurement won't be taken, and you'll be disqualified.
- Failing to meet the minimum height or chest requirements during PMT will result in disqualification.
- PET/PMT is designed as a qualifying assessment, with no marks awarded.
- In case of grievances related to the Physical Measurement Test (PMT), a grievance redressal cell will be established. You must raise any concerns within three days of the test date to the PCSC overseeing PET, PMT, Document Verification, and Medical Examination.

## RRB RPF SI Exam Pattern 2024 - Phase III

Once you have cleared the PET & PMT, you will be called for Document Verification (DV). During this process, you will need to provide both original and self-attested photocopies of the following documents for verification purposes:

## RRB RPF SI Exam Pattern 2024 - Scheme of Examination

- 10th /Matriculation Certificate as proof of age
- 10th /Matriculation Certificate as proof of educational qualification
- Caste Certificate (for SC, ST & OBC-NCL candidates) in the format prescribed for employment under the Central Government
- Discharge Certificate for Ex-Servicemen
- Two copies of a self-attested colour photograph
- No Objection Certificate (NOC) from the present employer in case of serving Govt. Employees
- Domicile certificate wherever applicable
- Certificate belonging to the Economically Weaker Section in the format prescribed for employment under the Central Government.

We hope this version is clearer! Let me know if you have any other questions.

## RRB RPF SI Exam Pattern 2024 - Medical Examination

Candidates who pass the Document Verification process will need to undergo a medical examination at a Railway Hospital. To be eligible for an appointment, you must meet the 'B-1' medical category requirements. Having certain physical conditions such as wearing glasses or having flat feet, knock knees, squint eyes, or color blindness, may make you ineligible. Passing the Medical Examination does not guarantee employment.

In addition, it is crucial to stay updated with the official notifications and exam guidelines to ensure a smooth and successful application process.
